Register

This mockup shows a dark gray screen with a light gray header bar containing the text "Fluid UI" and a battery icon with the time "12:30". Below the header is a gray bar with the title "Registration". The form consists of several teal input fields: "First Name" and "Last Name" (side-by-side), "Mobile Number", "E-mail", "Address", and "Set Password" (all stacked vertically). At the bottom, there is a teal "Register" button.

Teacher can Upload Grades:

The image shows a mobile application interface for uploading grades. At the top, there is a status bar with the text "Fluid UI" on the left and a battery icon with the time "12:30" on the right. Below the status bar is a header bar with the title "Subject & Result" on the left and a hamburger menu icon on the right. The main content area has a dark background and contains three input fields: "Enter Student ID :" with a light gray text box, "Enter Marks :" with a light gray text box, and "Select Subject:" with a dropdown menu showing "Bangla" and a downward arrow. At the bottom, there are two buttons: "Back" and "Submit".

Select Subject:

Bangla

Back Submit

Payment :

The image shows a mobile application interface for a payment screen. At the top, there is a status bar with the text "Fluid UI" on the left and a battery icon followed by the time "12:30" on the right. Below the status bar is a dark grey header with the word "Payment" in white on the left and a white hamburger menu icon on the right. The main content area has a dark grey background. It contains two light grey rectangular buttons stacked vertically: "Check Balance" and "Payment History". Below these buttons is the text "Select an option:" in a light grey font. Underneath this text is a light grey dropdown menu with the word "Card" and a small downward arrow. At the bottom of the screen is a white selection panel with two options: "Card" with a selected radio button (a dark grey circle with a dot) and "Mobile Banking" with an unselected radio button (an empty circle).
